

BACKGROUND & MVR CHECK – RELEASE FORM

(MUST BE UPDATED EVERY YEAR)

Dear ClearView Missions Volunteer:

Thank you for agreeing to serve in the ministries at ClearView Baptist Church. Alarming trends in our society have led us to the decision of requiring criminal background checks for all those volunteering with children and/or those involved in church mission trips and projects.

If you wish to volunteer with children and/or be involved in a church mission trip or project, ClearView Baptist Church will conduct a criminal background check and Social Security Number Trace. The SSN Trace is to ensure accuracy of the report and verify former addresses.

Here are the steps needed to authorize the background check. The process is simple and the website is secure:

1. Go to the Ministry Opportunities Link at: www.ministryopportunities.org/Index.aspx?uid=707.
2. Click the ClearView Volunteer link from the left column.
3. Click the ClearView Volunteer (Background Only), or Driver (Both Background and MVR Check) link that pops up in the right column.
4. Next, click the button “Returning Applicant,” if you have completed the form before, or “Proceed” if you have not completed the form for ClearView.
5. Complete the information and continue through the series of questions until you have authorized the background search.
6. That’s all you have to do. No written forms to turn in, and the authorization may be completed privately at your convenience.

I am the only ClearView staff person who will see your report; however, I am required by SBC agencies to report that each of our mission team members have completed this background check process. Please call me should you have a question.

I appreciate your service,

Jeremy Bussell
