

Through one of our ClearView Groups you will be guided to find the purpose and mission God has for you. To help you find the one where you fit the best there are three categories:

**Adult 1** – *these groups are generally late teens, 20's, 30's and early 40's. Families mostly have no kids up to middle school and some high school.*

**Adult 2** – *these groups are generally early 40's, 50's and into 60's. Families will mostly have middle school kids up to college and maybe moving into an empty nest stage.*

**Adult 3** – *these groups are generally in their 60's and up. Families are generally empty nesters.*
