

Overview:

High school girls will have the opportunity during the 2017-2018 school year to be mentored by a female adult. They will meet once a month from September 2017 through May 2018. Participants will grow together as they study scripture and share how God is at work in their lives. They will have opportunities to attend scheduled Mentor Program Fellowships and plan their own times to meet.

Placement:

The student ministry team will match each high school student with an adult mentor based upon the personality profile portion of the application and lots of prayer.

High School Student Expectations:
