

## REOPENING CLEARVIEW WHAT'S NEXT?

Throughout the shutdown, our team has worked together through prayer and wise counsel to develop a plan to reopen ClearView in a way we believe is best for our church. Here's what you need to know.

---

- **Beginning May 31–June 28**, we will reopen our doors, operating in multiple worship venues on campus at 9:00 and 11:00 a.m.
  - **Available venues include:** Worship Center, Chapel, Children's Worship Room, The Station, the Basement, and livestream on Facebook, YouTube, and our website. These venues will each be operating at roughly **25% capacity**.
  - To ensure a **consistent experience** for everyone, venues will stream an identical worship set and sermon. At this time, there will not be different worship styles in the venues.
  - Worship services will be **"family style."** Programming for children and students will resume at a later date.
  - We will recommend certain times/locations for individual **Groups** to attend. If you are not connected in a Group, please join us in the Worship Center in Building A.
- 

### PRECAUTIONS

The following precautions have been taken into consideration as we reopen.

- Doors will be held/propped open to ensure contactless entry and exit.
  - Frequent touchpoints will be sanitized before and after each service.
  - Hand sanitizer will be available in each venue.
  - Physical bulletins have been suspended. Stay up-to-date by subscribing to our email list at [clearview.org/email](mailto:clearview.org/email).
  - Offering plates will not be passed. We will have baskets in each venue for cash and check offerings, or you may continue to give digitally at [clearview.org/give](https://clearview.org/give).
  - Masks are at your own discretion.
- 

The safety and health of our congregation is most important. If you're sick or uncomfortable with attending in-person, we encourage you to stay connected digitally via livestream and social media. Information regarding our plan after June 28 will come at a later date.

If you have questions about our reopening plan, **email us at [contact@clearview.org](mailto:contact@clearview.org)**.

## **GROUP RECOMMENDATIONS**
