

After 8 years of ongoing conflict, Russia has launched a wide-ranging war on Ukraine, causing a catastrophic humanitarian crisis for the Ukrainian people.

Send Relief, a cooperative ministry between the International Mission Board and the North American Mission Board, is working with local Baptist partners in Ukraine to care for displaced families in desperate need of help and hope.

You can help! There is extraordinary power in prayer. Here are ten ways you can pray for the Ukraine crisis:

PRAY FOR:

1. The people of Ukraine as the war progresses. Pray for strength, courage and perseverance as their homeland is devastated by war.
2. Safe passages out of war zones for displaced populations.
3. Government officials to lead with wisdom in this tense time.
4. The millions of displaced people who will be forcibly removed from their homes during the war. Pray that in the face of war, they find psychological, emotional and spiritual healing from this trauma.
5. Pray for those involved in this war, especially those who do not know Christ.
6. Local churches, missionaries and relief workers to care for the massive wave of refugees coming out of Ukraine and internally displaced populations.
7. Disciples Church in L'viv, Ukraine, and its church plant in Bryukhovychi. Many of the people there are displaced from the East. Pray for peace for these believers as they had hoped conflict from 8 years ago was over, and now, they are facing it again.
8. The Ukrainian Baptist Theological Seminary as it wrestles with how to assist its students and refugees in this time of war.
9. Ukrainian believers as they seek to be a light in the darkness.
10. Ukrainians who have never heard the gospel to have an opportunity to experience the hope of Jesus.
