

STUDENTS

2023 - 2024
AT - A - GLANCE

SUNDAY MORNINGS | 10:45 AM

All students will meet in the Station. Beginning at 10:45 AM, Jamie or Emma will lead a group devotional centered on the series/theme for that week. Once the devotional has been finished, students will break into their respective small groups and walk through discussion questions. Our small group leaders and other volunteers will help facilitate these discussions. The morning ends with a time for prayer requests and prayer within their small groups.

WEDNESDAY NIGHTS | 6:30 - 8:00 PM

Wednesday nights provide an excellent place for students to bond, worship together, and connect with peers from both their schools and the local community. Our goal is to create a fun, inclusive, and impactful atmosphere that enables students to praise Jesus and build relationships with one another. This is an excellent opportunity for guests to get a glimpse of our student ministry! We encourage students to invite their friends.

GIRL TALK | DATE VARIES

Girltalk is an event that gives HS girls the opportunity to anonymously submit topic-centered questions that they would like to discuss while fellowshiping with other girls and leaders. Our leaders will answer the questions by utilizing scripture and incorporating their own experiences, as well. This is a great event for girls to invite their friends!

STUDENT GATHERINGS | DATES VARY

In addition to our regularly scheduled events, we'll host various events for students based on age, grade, and gender! Some of these are spontaneous; be sure to follow us on social media and read each week's email to know if any events are added!

Whether it is visiting an assisted living community, working at food banks, or assisting in projects around ClearView's campus, we want our students to help make a difference!

HYFI| A New Truth Each Month

Hyfi for students fosters relationship building that leads to discipleship. Even those with no context for understanding God or the Bible become open to hearing the truth of Scripture when presented in the context of a relationship. Each week, students will experience a genuine connection with their peers and leaders—whether their first or their hundredth time attending. Hyfi is designed to help every student connect deeply, find real friends, and feel included in a group as they discover the truths of God’s Word through the life of Jesus.

- A scope and sequence that focuses exclusively on Jesus: who He is and what He did
- Sessions with a cultural connection that provide discussion around cultural topics
- Activities designed to build community with one another and leaders
- Intentional experiences designed to reach students with no Bible background
- Sessions that stand on their own to accommodate students who do not attend church weekly
- Weekly sessions that are simple to plan, prep, and execute
